

BUCK RIDGE

CARPENTRY & GENERAL CONTRACTING

Customer satisfaction is our goal. We strive for quality.

(610) 857-5783

Additions

Need more storage space or another bedroom? When done right, an addition can be the perfect marriage of old and new.

- Small to large additions
- Sunrooms
- Family rooms
- Dormers
- In-law suites

Custom project by Buck Ridge

New Homes

Buck Ridge Carpentry can design and build your dream home, whether small or large. We work with architects of your choice, as a general contractor or as a subcontractor for another builder.

Built for C.I. Miller

Decks & Porches

Who doesn't enjoy a cool evening on the patio? Whether you're hosting a neighborhood party or just relaxing over the weekend, we can design an outdoor space to facilitate your lifestyle.

- Custom decks and porches
- Stone patios
- Techo-Bloc pavers
- Azek decks
- Wood decks
- Composite railings

Hot Tub Cover Storage (Closed)

Outdoor Kitchens

There's nothing quite like cooking and eating a meal outdoors! An outdoor kitchen is great for entertaining, or simply enjoying.

- Lighting features
- Custom fabrication
- Rustic barn beams
- Built-in grills
- DrySnap ceilings

Pergolas

Home Improvements

Whether it's a complete home renovation or a simple home improvement project, remodeling can drastically improve the feeling of your living space.

- New entryways and doors
- Replacement windows
- Remodeling
- Roofing
- Siding
- Kitchens & bath

Before

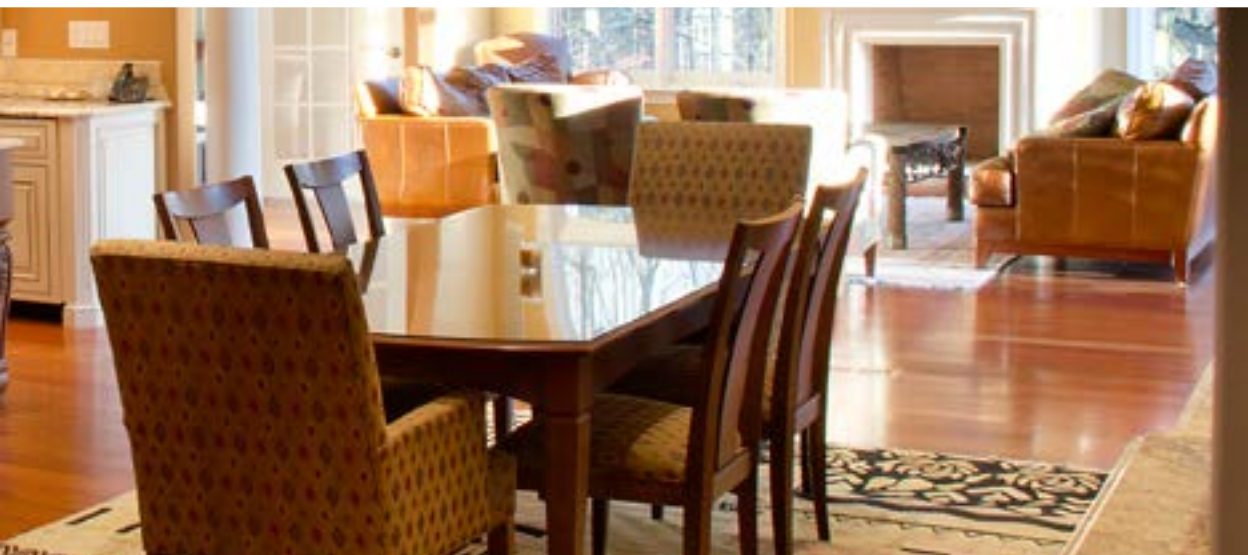

After

Custom Built-Ins

We design and build custom built-in shelves, libraries, cabinets and more.

Finished Basements

Your unused basement can be converted into valuable living space. You may even forget that you are in the basement!

- Kitchens
- Bar areas
- Basement entryways
- Home theaters
- Disco dance floors
- Bathrooms for exterior pools

Barn Restoration

Restoring an old barn is a great way to increase the value of your property, while creating living space for parties or storage.

- Historic wood restoration
- Stonework or repointing
- Aluminum roofing
- Windows and doors

Kitchens

Whether you're a born chef or leave that to others, remodeling your kitchen gives you the opportunity to design around your unique family and hosting needs. Remodeling your kitchen (or bathroom) is a very effective way to increase your resale value.

- Complete kitchen renovations
- Cabinets and trim
- Granite, quartz, Formica, Corian® or any countertop
- Tile backsplash
- Custom tile niches
- Under-counter lighting

Bathrooms

Interior Millwork

Renovating the trim, doors and millwork in your home can dramatically transform your interior design.

- Interior crown moldings
- Custom tray ceilings
- Coffered ceiling
- Custom railing
- Interior arches

Exterior Millwork

Exterior millwork is a simple way to increase the curb appeal of your home. It's the small things that make a big difference!

- Porch posts
- Custom entryways
- Exterior crown molding
- Five-piece buildups
